- Request a restriction on certain uses and disclosures of your information;
- Obtain a paper copy of the notice of privacy practices;
- Inspect and copy your health care record;

### HITECH Amendments

Luna Medical, Inc. is including HITECH Act provisions to its Notice as follows: **HITECH**

#### Notification Requirements

Under HITECH, Luna Medical, Inc. is required to notify patients whose PHI has been breached. Notification must occur by first class mail within 60 days of the event. A breach occurs when an unauthorized use or disclosure that compromises the privacy or security of PHI poses a significant risk for financial, reputational, or other harm to the individual. This notice must:

- (1) Contain a brief description of what happened, including the date of the breach and the date of discovery;
- (2) The steps the individual should take to protect themselves from potential harm resulting from the breach;
- (3) A brief description of what Luna Medical, Inc. is doing to investigate the breach, mitigate losses, and to protect against further breaches.

### Business Associates

Effective September 2013, Luna Medical, Inc.'s Business Associate Agreements have been amended to provide that all HIPAA security administrative safeguards, physical safeguards, technical safeguards and security policies, procedures, documentation requirements, and the Omnibus Rule apply directly to the business associate.

## Cash Patients/Clients

HITECH states that if a patient pays in full for their services out of pocket they can demand that the information regarding the service not be disclosed to the patient's third party payer since no claim is being made against the third party payer.

## Access to E-Health Records

HITECH expands this right, giving individuals the right to access their own e-health record in an electronic format and to direct Luna Medical, Inc. to send the e-health record directly to a third party. Luna Medical, Inc. may only charge for labor costs under the new rules.

## Accounting of E-Health Records for Treatment, Payment, and Health

Luna Medical, Inc. does not currently have to provide an accounting of disclosures of PHI to carry out treatment, payment, and health care operations. However, starting January 1, 2014, the Act will require Luna Medical, Inc. to provide an accounting of disclosures through an e-health record to carry out treatment, payment, and health care operations. This new accounting requirement is limited to disclosures within the three-year period prior to the individual's request.

## Examples of Disclosure for Treatment, Payment, and Healthcare Operations:

**We will use your health information for treatment** Information obtained by our company will be documented in your healthcare record and will be used to provide you with durable medical equipment and/or supplies. Also, Luna Medical, Inc. will bill you or a third-party payer for services that you receive from our company. The health information that identifies you, your diagnosis, equipment, and supplies may be included on this bill.
