Custom Boxer & Boxer Capri

Revised 5/21/14

K1 thru G to K2 is measured from center front waist through the crotch up to center back waist. Note: Foot is NOT available on a Boxer, if foot is required please order separate leg garment.

Additional charges will be added for darts or oversized garments, and will be determined by the pattern maker. You will be notified via quote if this occurs. If the patient has leg lobules, please send photos.

Custom Left Foot Tracing

Sketch a dotted line to indicate where the garment should end.

Total length of foot in ____ cm

Place foot directly over this guide, with tip of big toe at “A” landmark. With a black pen, trace around each toe and as much of the foot as will fit on the paper. Use a ruler or measuring tape starting at “A” landmark to determine total length of foot.
