TributeWrap™

Now even better thanks to new product improvements!

Sleep Sleeve **NEW**

Soft, comfortable cover to ensure straps don't get tangled in the sheets. Included with every garment!

Simpler Finger Grip **IMPROVED**

Simple adjustability that can be easily pulled for the right fit and contour.

Stronger Hold **NEW**

Now with the same great VELCRO® brand fasteners used on TributeNight!

- With improved fasteners on the straps, Tab Targets are no longer included.

Below Knee Sleep Sleeve

Wrist to Axilla finger grip

What hasn't changed?

TributeWrap™ continues to be available with the same:
