## Get Ready to Rock the Boat

Put on Juzo's commemorative Dragon Boat Sleeve and show your team spirit with style at this year's Dragon Boat Festival. You'll look fashionable and confident on the water, proving to the world that breast cancer survivors not only rock the boat – they can row one, too!

Exercise is essential for good mental and physical health, and new research shows that's especially true for breast cancer survivors with lymphedema in the upper extremities. Regular physical exercise can improve quality of life and upper body function, relieve symptoms, and manage edema.

Wear your Dragon Fest Sleeve in solidarity with your fellow breast cancer survivors. There are currently more than 200 Dragon Boat teams in 26 countries, getting ready for the 2019 Festivals, so join the team nearest you or find out how to start your own. You'll be welcomed into a community of sisters who are ready to race.
