All Manufacturers' Measurement Forms and Sizing Charts
www.lunamedical.com FORMS tab (Manufacturer)

For COMMERCIAL INSURANCE REFERRALS, we will provide an initial, courtesy insurance verification of benefits.

For MEDICARE PART B REFERRALS, we are required to have measurements before we can provide a verification of benefits. After a patient with Medicare Part B benefits has satisfied the \$240 deductible, claims are payable at 80% of the Medicare allowable for the compression products. We will check the Medicare Part B benefits and coinsurance benefits. The patient will be contacted with the courtesy quote of benefits and quoted any possible deductible and/or coinsurance that could be due after the claim pays before placing the orders for the compression products.

MEDICARE ADVANTAGE PLANS do not have to follow Medicare Part B guidelines and fee schedules for coverage. A provider has to be contracted IN-NETWORK with the commercial payor for the Medicare Advantage plan. Patients may have limited or no coverage for medical compression products. **At this time, Luna Medical is not able to service Medicare Advantage Plans.**

Luna Medical will obtain a Certificate of Medical Necessity (CMN – commercial insurance) or Standard Written Order (SWO – Medicare) from the referring physician.

Medicare claims will not require prior authorization.

WHAT IF THE COMPRESSION PRODUCT DOES NOT FIT OR NEEDS A DIFFERENT COMPRESSION OR FABRIC?

Luna Medical honors all the manufacturers' return and remake policies at our expense.

Sometimes, for example, a patient needs a flat knit stocking to replace the circular knit stocking, a higher compression class or a custom stocking needs to be remade. The manufacturers require that Luna requests a Return Authorizations within 30 days from the date the product was delivered to the patient.

When requesting a return authorization, please email your request to customerservice@lunamedical.com

After your patient receives the replacement stocking or garment, we will mail a Return Authorization letter and prepaid FedEx label to ship the product back to the manufacturer so we can get credit to our account. The patient will be instructed to launder the garment prior to shipment.

Remember, our relationship with your patients is for life. We are here to make sure that their compression product needs are met with successful home management of these chronic conditions. We are here to assist you and your patients every step of the way.
