**medi**

**NOW AVAILABLE**

**Starting March 9**, all ready-to-wear circaid® profile leg sleeves and oversleeves will include the new EZ-grip Foot — a built-in surface-gripping feature designed to help support safer mobility. **No new SKUs. No new part numbers. Just a smarter, safer profile.**

**NEW**

**Oversleeve**

**Foam Sleeve**

**EZ-grip Foot** Integrated non-skid fabric for the foam sleeve or oversleeve.

### What Is EZ-grip Foot?

A seamlessly integrated, non-skid foot feature that helps grip surfaces for safer mobility

- ✓ Helps reduce slipping on smooth surfaces
- ✓ Supports safer mobility
- ✓ Boosts patient confidence
- ✓ Fully integrated into the existing sleeve design
